<b>TOTAL TO BE PAID IN FULL BY 08/10/2018</b>	

### Tuition & Fees

- ❖ All students must reapply for enrollment each year; the reapplication fee is \$400.00.
- ❖ Full Tuition is due by 08/10/2018. Please contact V.P. of Finance, Jason Bibb to discuss payment-in-full arrangements at [jbibb@paasda.org](mailto:jbibb@paasda.org) or 503-255-8372 ext. 215.

International Student tuition includes an excellent mentor program, which matches American students with international students. Also included in the tuition are three SLEP tests the first year and one TOEFL test the second year. There may be minimal additional fees for elective classes. Students need to score at least 71 on the Internet Based TOEFL (iBT) to receive reduced tuition and waiver from required tutorials.

### Mandatory Health Insurance

All international students at PAA are required to have year-round extended health insurance by Oregon State Law (Oregon Administrative Rule #577-30-080). There are two choices

- ❖ PAA's international insurance provider
  - \$500,000 coverage, with a \$50 co-pay
  - Estimated cost: \$1000.00 per year, payable in full by 08/10/2018.
- ❖ Private insurance
  - In order for private insurance to meet US Government requirements, proof of the following minimum coverage is required:
    - \$50,000 for each accident or illness
    - \$10,000 for medical evacuation
    - \$7,500 for repatriation of mortal remains

### Refund Policy

If, for some reason, a student is unable to attend PAA, tuition will be reimbursed as follows:

- ❖ Full Refund - If the student withdraws from school before July 15.
- ❖ Partial Refund - If a student withdraws after school begins, only subsequent semesters will be refunded. This reflects the fact that the student had occupied an enrollment spot during the current semester that cannot be filled by another student until the start of the next semester.

### 8-Week Immersion (One Quarter Audit)

International students intending to attend PAA in the fall may come for an eight-week preview program, auditing the existing classes on campus. They are required to do all assignments and tests while in attendance.
