

Spring Break Portland Outreach

March 18 - 24, or March 25-31, 2018

Project: To serve and share Christ's love with people in our community. Discovering that we can serve people no matter where we find ourselves, even in our own city.

Description: This mission trip will be an experience in working with non-profit organizations within the greater Portland area and building a tiny-house for Dignity Village. During this time, students will be able to serve a variety of needy and marginalized groups. One major project will be to construct a "Tiny Home" for use at Portland's Dignity Village. The project will provide a reminder that until Christ returns, there will always be an opportunity to do good in this world.

Activities: Construction, food pantries, homeless shelters, other service opportunities, and of course there will be fun!

Location: Students will stay at home with daily drop-off and pick-up at PAA. There may be exceptions (depending on that day's activities) but as a general rule, we will begin the day at 8:30 AM and be finished by 6:30 PM. Our final day will include giving a report and attending church at Hood View Church. Our organizing sponsor is Pastor Brian Simmons from Hood View.

Cost/meals: We ask that students eat breakfast before coming and bring a lunch each day. We will cover some evening meals as needed. Costs needed for each student will cover the materials for our Tiny Home, transportation, and insurance costs. \$150 per person will cover it. Students will be responsible for raising the entire amount.
